

ATMS (Ag Mechanics)

Committee Report

ATAT Conference 2024 – Dallas, TX

2025 Ag Mechanics CDE- System Plant Production

It was decided to align the Texas FFA CDE ATMS Contest to better fit the National Contest and guided examples within each skill set.

Machinery & Equipment- (Individual Skills)

Boom Sprayer

Electrical – (Individual Skill)

Electric Motors & Controls

Environmental & NR- (Individual Skill)

Plumbing (PVC)

Compact Equipment- (Team Activity)

Small Engines - single or multi cylinder engines (roughly 30 HP or less?) OHV engines

Structures- (Team Activity)

SMAW Welding

Rule update stating that tools will be provided by the contest provider unless posted 60 days before the contest was approved. Increase in registration cost to \$125 to help with providing materials was approved.
