

# What to Bring to Camp!

I am so excited that you will be attending the Area 7 Leadership Camp and have few things to note about what to bring:

- Suitcase or duffle bag - please limit the amount of bags brought as there is not much room
- Water Bottle- one will be provided for you as a camper but, if you want to bring extra bottles of water you may do so and leave in the dining hall; be sure to have your name on them
- Closed toe shoes- especially for the ag olympics games; there are stickers and running involved
- Flashlights
- Bedding (Sheets/Sleeping Bag/Pillow/Blanket)
- Sunscreen and Bug Spray
- Hat
- Towels and washcloth
- Toiletries (Soap, Shampoo, Shower Shoes, Toothbrush, & Toothpaste)
- Face Mask- if you need to wear one please do not hesitate to bring your own but are not required
- Attire: Clothes that are school appropriate; we will be having an ag olympics and dance so be sure to bring some extra items for those events; remember it is summer and hot!! On the last night we will have the dance and the attire must **meet the Texas FFA Dress Code** or they will be asked to change- no matter how cute it is!
